## EXECUTIVE REPORTS

**Name:** Maija Duncan

**Position:** Chairperson

**Date of submission:** June 30, 2019

**Report Period:** May 17-June 30

**Duties of the position:** Organizing the day-to-day operations of the local, including supervising staff, ensuring the smooth running of the executive committee, chairing meetings, acting as a signing authority, liaising with CUPE National, and acting as main contact with legal counsel.

### **Projects, priorities, and tasks for this period:**

- Reviewed the CAs for Units 1, 2, and 3. They're not ready to print yet as the employer insists on trying to introduce language that was neither bargained not even presented in arbitration. I am continuing to push for the employer to drop this completely unreasonable position.
- Attended CUPE Ontario Convention (May 28-June 1), including a university-sector meetup to discuss the Student Choice Initiative.
- Attended the Judicial Review of the application of the Code of Student Rights and Responsibilities (May 31). We won! All sanctions quashed!
- Attended (and helped organize) a mandatory training on sexual violence and sexual harassment with the executive committee.
- Coordinated with third party expert to advance the Local's internal sexual violence policy. We're hoping to have something ready for approval at the latest September.
- Coordinated with legal counsel on ongoing cases.
- Consultation with the Office of Student Community Relations (OSCR) to review the Student Code.
- Worked on the hiring protocol for the term staff rep position, as one of our staff is taking a leave.

### **Plans for next month:**

I expect the hiring will take up a lot of my time. I will keep pushing until we have CAs ready to print, and will help where I can with preparing for August/September orientations. I'm also looking into coordinating with YUFA on Unit 4 issues. Preparation for CUPE National Convention (which will take place in October) will start in early July.
