Brothers and Sisters of CUPE Local 3903,

As a former Chief Steward of Grievances of CUEW Local 3 and CUPE 3903, I wish you all the best and offer my full support as your strike deadline fast approaches. The issues that motivate you are the same issues that we fought for twenty years ago - fair wages and job security. These are simply the reasonable demands and expectations of workers everywhere. But, as you know and I know, only in the rarest of circumstances are they granted and only slightly less often do they come easily.

So as you are forced to pursue a just collective agreement the hard way, please know that I am with you in this struggle.

In solidarity,

A handwritten signature in blue ink that reads "M. Kellway". The signature is written in a cursive style with a long, sweeping tail on the letter "y".
