**Description of incident and where it happened? (picket line, SGMM, SC meeting, etc):**

We understand that there may be many reasons why members have or have not tried to resolve a dispute themselves. If you have taken dispute resolution steps it may help us to know what they are, please briefly describe them here.

## Follow Up Action by Disputes Committee

This section is voluntary but would help us determine next steps. What actions/resolutions would you like to see? Are there any actions/resolutions you would be uncomfortable with or not support?
