YOUR PAYSTUB - GRANT-IN-AID

GRANT-IN-AID CUPE 3903-1

Grant-in-Aid (GIA) is additional "non-employment" income paid to Unit 1 members. As "non-employment" income GIA is not taxed. GIA rates for a full TA'ship (1.0 TA'ship) are set in the collective agreement. GIA is paid out in equal monthly installments over the course of your full TA'ship. TA'ships above 1.0 are paid at the base salary rate (with no additional GIA); fractional TA'ships (less than 1.0 TA) receive pro-rated GIA payments.

For 2017-18 the GIA rate was \$3866/year, for 2018-19 it was \$3866/year and for 2019-20 it was \$3955/year (for a 1.0 TA).

RETRO-GRANT-IN-AID CUPE 3903

Increases to Grant-in-Aid (GIA) amounts were awarded for each year of the Collective Agreement (2017-2020) by an arbitrator in December 2018. Until the arbitrators ruling York was paying the GIA at 2016-17 rates. By April 2019 you should have been paid retroactive GIA for the difference between the collective agreement rates given above and the 2016-17 rate of \$3705/year.
