corresponds to CUPE proposal 28

11.01.3 The qualifications posted for all positions in the bargaining unit must be reasonable and demonstrably relevant to the posted position, including in cases where tutor positions are posted in Unit 1 and Unit 2. In the Department of Nursing, qualifications set with respect to ~~proof of~~ current practice will be reasonably connected to the duties of the position.

12.02 APPLICATIONS

12.02.1 (i) All applicants for positions must apply directly and in writing, providing an updated application (specific or general, see Appendix F) and current curriculum vitae, unless a current curriculum vitae is already on file, to each of the hiring units in which she seeks employment. In the School of Nursing, applicants will be responsible for highlighting in a separate section of their current curriculum vitae any required current practice qualifications. A general application shall be submitted between 15 November and 31 January, and shall apply to all positions in the hiring unit for all academic sessions that commence during the twelve months following 31 January. The employer agrees to notify all employees of the dates for submitting general applications. The employer undertakes that no appointments shall be made prior to 31 January. Any applications submitted outside of these dates shall be specific to a particular position(s).

Note: Consistent with, but not as part of the above proposal, starting with the 2021-22 posting exercises the School of Nursing would revise its postings for Clinical Course Director positions to substitute the current phrasing regarding Proof of Practice with new phrasing regarding the documentation of any required current practice qualifications. That phrasing would read as follows: *Current practice, defined as 144 hrs worked in [type of care setting, e.g., acute pediatric care setting] over the last 12 months prior to the submission of this application. Applicants are required to highlight this required current practice qualification in a separate section of their current CV submitted with their application. This information will include*

- *the type of work (i.e., specific nature of the clinical practice)*
- *the location(s) where it was performed*
- *the number of hours completed*
