ARTICLE 10 – POSITIONS AND RATES OF PAY

10.01.1 The parties recognize that the employer wishes to provide teaching opportunities for full-time graduate students. Such students will normally be employed

in tutor 1, tutor 2, tutor 3, tutor 4, tutor 6, tutor 7, or writing instructor positions. However, the employer reserves the right to appoint such students to no more than fifty fifty-five (55) course director positions (not including any course director positions to which full-time graduate students are appointed when there have been no suitably qualified candidates with applicable prior experience in Unit 2 for course director positions originally posted in Unit 2) during any twelve-month period ending 31 August. ~~Further, the employer reserves the right to appoint such students to an as yet undetermined number of additional positions in the Faculty of Education which will be based on the number of "net new" course director positions in the faculty, subject to a process to be worked out between the parties via the Labour/Management Committee. Notwithstanding Article 10.01.2, the employer further reserves the right to appoint such students to additional positions equal to one-third of the number of Research release-time stipends granted each year to holders of SSHRC Research Grants. If a hiring unit has an even number of research release-time stipends in a single year, the ratio shall be achieved by averaging the positions over two or more years.

The Administration will ensure – and verify through report – that released courses are being distributed on the basis of one Unit 1 ticket for each group of two Unit 2 replacement appointments. The courses filled must have been taught in the previous year by a faculty member on release, or by a faculty member now taking on courses of released colleagues, or courses that the faculty member on leave had been scheduled to teach. These Unit 1 tickets shall not exceed the fore noted ratio. The Administration will report as soon as the grants are accepted and again, when the appointments begin.

Effective 2015-16 the ticket application process is as follows:

- (i) PhD students wishing to apply for a ticketed course directorship will do so by January 31st using the standard Application for Teaching Assistantship Positions in Appendix F.
- (ii) Applications for ticketed course directorships will additionally include, along with the Application Form in Appendix F:
 - a. A letter indicating the applicant's interest in teaching a course; how teaching a course fits with the applicant's future career aspirations; the subject matter the applicant is most qualified to teach; and the term or terms in which the applicant would be available to teach the course;

- b. A statement from the applicant's supervisor indicating a ticketed course director position at this stage is appropriate and will not negatively affect the applicant's progress in the Program.
- c. Units may also require references from one or more course directors for whom the applicant has served as a teaching assistant.

Units may wish to provide additional guidance regarding item (ii)(a) above; such additional guidance will be communicated by the Unit to potential applicants.

- (iii) Programs will identify the potential ticketed course opportunities and will communicate the list of opportunities to applicants by no later than April 1. If the Program will have no ticketed course directorship opportunities, it will advise the applicants by no later than April 1. Applicants may indicate their preference for a specific opportunity by April 15.
- (iv) Applicants will be assessed ~~and ranked~~ on the basis of their applications. Units may optionally include an interview process; if an interview process is included, the interview process and its role in the applicant assessment will be communicated to applicants. In all cases, appointment decisions will be communicated to applicants by May 15.
- (v) Preference for appointments to ticketed course directorships will first be given to applicants in their upper years (year 4 and up) with the least prior experience as a ticketed course director. Units may ~~establish their own eligibility criteria with respect to year or years of program and/or also consider progress toward program completion among upper-year applicants;~~ any such ~~criteria consideration~~ will be communicated by the Unit to potential applicants.
- (vi) A minimum of two ticketed courses directorships will be made available to each faculty to ensure the equitable availability of ticketed course directorships among those faculties who may wish to use ticketed courses directorships.
- (vii) Giving preference first to qualified applicants in their upper years per (v) above, a minimum of 50% of the ticketed course directorships at the faculty level will be prioritized in each contract year for qualified applicants who self-identify as a member of one or more of the Equity Groups, as follows:
 - (a) A minimum of 50% of the Equity Group-prioritized ticketed course directorships will be further prioritized for qualified applicants who self-identify as Indigenous or racialized:

1. Compensation will be provided to Teaching Assistants who have been assigned their first Teaching Assistantship plus up to 500 additional Teaching Assistants per contract year, who have been assigned a current or upcoming Teaching Assistantship, in an amount equivalent to the Marker/Grader rate for 5 hours once, upon the completion of the ~~first-level~~ Junior or Senior Record of Completion Certificate (the "Certificate") offered by the University's Teaching Commons, subject to the following:
 - (a) A Teaching Assistant must first obtain confirmation from their academic unit, for presentation to the Teaching Commons, that they have been assigned a current or upcoming Teaching Assistantship; and
 - (b) A Teaching Assistant must commence the Certificate offered by the University's Teaching Commons prior to or during their upcoming or current Teaching Assistantship and must, as

- ~~6. This Letter of Understanding shall be placed in the 2020-23 collective agreement booklet and shall form part of the 2020-23 collective agreement. It will expire with the commencement of the renewal collective agreement following the 2020-23 collective agreement and shall be removed from the collective agreement booklet for the renewal collective agreement unless this Letter of Understanding is renewed by the parties.~~

12. Article 15.24

There will be no diminution in the per employee amount in the funds listed below during the term of this collective agreement as a result of an increase in the number of employees in the bargaining unit as at October 1, 2020 and October 1, 2021 and October 1, 2022. Growth in the number of employees will be measured on the basis of a two year collective agreement lag using October 1st as the date. For the 2020-2023 collective agreement, growth in the number of employees will therefore be measured on the basis of the number of employees as of October 1, 2014. In the case of the funds below where such is indicated, the basis on which growth in the number of employees will be measured is the growth in the number of employees who are eligible to use the funds.

As an example of how this Article will apply, if the per employee amount available is \$10 based on 100 employees as of October 1, 2008 and the number of employees increases to 110 as of October 1, 2011, the fund will be supplemented by \$100 in the 2011-2012 year of the Collective Agreement. If the number of employees is 90 as of October 1, 2012 no supplement will be required, and the fund will be \$1000.

Funds:

- Article 15.13.2 and 15.13.3 Childcare Subsidies
- Article 15.14 Graduate Student Bursary Fund
- Article 15.15 Research Costs Fund
- Article 15.16 Professional Development Fund
- Article 15.18 Masters Bursary Fund (based on number of bargaining unit members in Masters programs)
- Article 15.19 PhD Completion (based on number of bargaining unit members registering for their final term of eligibility for full-time status in a doctoral program)
- Article 15.20 UHIP Fund (based on number of international students in the Unit 1 and 3 bargaining units)
- Article 20 Ways & Means Fund

In cases where a fund is scheduled to be increased by an amount separate from the application of this Article, the fund protection provisions of the Article will be applied to the fund prior to the scheduled increase. For example, if a fund were scheduled to be increased to \$200 but would otherwise be supplemented by \$10 through the application of the fund protection provisions of this Article, the fund would first be increased by \$10 before the scheduled increase to take the fund to \$210.

13. Article 10.07

15. Letter of Intent #6

Effective September 1, 2014, in the event that graduate tuition fees (except MBA, IMBA, MPA, part-time LLM students, MHRM and MDes and other professional programs as may be approved) and/or administrative or ancillary fees (hereafter collectively "fees") are increased above the Board of Governors approved rates for domestic and visa students as of September 1, 2012, any employees in the bargaining unit who are registered full time and pay the higher fees will receive funding in an amount equivalent to the fee increase in order that their net income from salary, including negotiated salary increases, is not offset by the fee increase.

Except in circumstances beyond its reasonable control, the Faculty of Graduate Studies shall post the monies in connection with this funding to a student's account by no later than November 1 for the Fall term, March 1 for the Winter term and July 1 for the Summer term.

Such funding shall not include the increases to Graduate Financial Assistance ("GFA") in the collective agreement and shall be a dedicated amount of additional funding from the University as required to fully cover the fee increase. The amount of any funding covering a fee increase shall be posted to student accounts and treated as if it was an additional amount of GFA that does not require the performance of work in exchange for the additional funding.

Letter of Understanding

Between

CUPE 3903 (“Union”)

And

York University (“the University”)

RE: Safe Return to Work in the Context of COVID-19

Whereas the University is engaged in ongoing planning for the phased return to campus following the easing of COVID-19 pandemic-related restrictions.

And whereas the Province of Ontario “the Province” entered Step 2 of its “Roadmap to Reopen” on June 30, 2021.

And whereas the University does not anticipate the regulatory framework (O. Reg 488/21: Rules for Areas in Step 2) will result in any substantive change to the in-person teaching planned for the Summer 2021 term.

And whereas, although the Province will allow for larger capacity limits for in-person instructional activities, the University will not alter the structure or form of those courses that have been approved for Summer 2021 in the middle of the term.

And whereas, the University anticipates further guidance from the Ministry of Colleges and Universities (MCU) applicable to return to campus for the 2021-2022 academic year and is expected for early July for the post-secondary sector in Ontario.

And whereas, this guidance from MCU will be instrumental for the ongoing Fall and Winter 2021-2022 planning efforts as the University anticipates that recommendations about physical distancing and capacity limits, along with other issues (e.g., any potential travel restrictions for international students) will be provided.

And whereas the University will support Employees working on campus with ventilation systems circulating fresh air in accordance with the latest recommendations and guidance set by the American Society of Heating, Refrigerating and Air-Conditioning Engineers.

And whereas, the University will continue to observe all applicable public health guidelines as determined by the Province and by Toronto Public Health and the guidelines from any MCU communication.

And whereas, the University will continue to comply with all required municipal bylaws and provincial orders, including those that pertain to physical distancing, capacity limits for indoor/outdoor gatherings and events, screening, and the mask and face covering mandate.

And whereas the University is adopting appropriate measures for a safe and healthy phased return to campus.

Therefore, the Parties agree that:

- 1) Up to six (6) representatives from both the Union's Executive and the Employer, will meet in the month following the signing of this agreement, and will be scheduled to meet monthly over the Summer 2021 and Fall 2021 term with the purpose of engaging in discussions related to the phased return to campus.

- 2) Employees who require medical and/or family status accommodation relating to the phased return to campus may seek accommodation in accordance with university processes supported by the Employee Well-Being Office.
