Teaching Development Grants Overview

PURPOSE OF THE FUND

The Teaching Development Fund has been established for the purpose of assisting contract faculty members to develop a new program of study, new courses, teaching materials, and teaching skills, or any combination thereof.

Two types of grants are available through this Fund: *Major Teaching Development Grants* and *Minor Teaching Development Grants*.

CRITERIA FOR SELECTION

Teaching Development Grants are awarded on the academic merit of the proposal.

Preference will be given to projects whose results are applicable beyond the individual.

While Teaching Development projects may include a research component, the Teaching Development Fund is not intended for projects that are primarily research based. Funding for such projects is available from the CUPE Research Grants Fund, details of which are available from the Office of Research.

NOTE: Applicants can apply for both the Major and Minor Teaching Development Grants in the same year but must submit individual applications for both; applicants who would like an unsuccessful Major project to be considered for Minor grant funding must submit a separate Minor grant proposal. Applicants cannot receive both the Major and Minor awards in the same year.

APPLICATION AND SELECTION PROCEDURE

1. Applications for both Major and Minor Teaching Development Grants should include the following documentation:
 - i) a completed and signed **application form**
 - ii) a **detailed project description**
 - iii) a **current curriculum vitae**
 - iv) **letters from two referees** familiar with your work and/or who can evaluate your proposal.
 - v) **your work history**
2. The required documents must be submitted electronically to the Teaching Commons using this MACH form: <https://teachingcommonsforms.apps01.yorku.ca/forms/view.php?id=1046196>. Letters from the two referees should be sent under separate cover by the referee directly to teaching@yorku.ca by February 1st.
3. Grants are assessed by a Selection Committee consisting of two members of CUPE 3903, one full-time faculty member, and the Associate Vice-President (Teaching and Learning) or designate.
